### **Profile**

I am a focused professional who is very keen on learning new skills and am always looking to increase my knowledge. My peers have noted that I have always worked very hard to achieve all that I have done with my life so far, always willing to help others if needed along the way, which in turn helped me too. I believe I can be of great benefit to you; I look forward to hearing from you.

### **Experience:**

#### **SCRIPT WRITER – From Home (Sept. 2022 – Present):**

I am currently employed as a non-fiction script writer for the independent YouTube account “Marcosatsu”, in which I write about various live action TV shows and movies, mostly based on factual research into the topic, while fitting them around the opinions of the account owner, as the scripts are written from the personal perspective of him. I am responsible for ensuring the content is of a high standard and factually correct, with information presented only coming from genuine sources.

#### **VOLUNTEER - Age UK, High Street, Yarm (Nov. 2021 – Present):**

As a volunteer, I have multiple roles, including manning the cash till, tagging the various items, putting them out on display, steaming any approved clothing items and recording down donations. I am also given the freedom to help in deciding which items go out from donation bags and can freely alter the way in which displays are laid out.
